Buenos Aires, Argentina
ARRIVE IN BUENOS AIRES, ARGENTINA

Day 1

Upon arriving in this splendid city, known for its vibrant Argentinian culture, European architecture and cosmopolitan vibe, you will independently transfer to your group hotel (pre-expedition hotel night included in mandatory transfer package).

Ushuaia, AR

FLY TO USHUAIA AND EMBARK

Day 2

After an early breakfast at the hotel, the group will transfer to the airport and board our private charter flight to Ushuaia, Argentina. Upon arrival, you will be transferred from the airport to a central downtown location to explore this quaint port town on your own before making your way to the designated meeting spot pier. After a late afternoon embarkation, you will sail along the historic Beagle Channel, which transects the Tierra del Fuego archipelago in the extreme south of South America. Excitement builds in anticipation of your next stop: the Antarctic!

Cruising

CROSSING THE DRAKE PASSAGE

Days 3 and 4

The unpredictable and exciting Drake Passage is an adventure unto itself. While being well taken care of by our expert onboard staff and leaders, you'll have plenty of time to gaze out at the ocean, take pictures of seabirds swooping around the ship, and get to know your Expedition Team and fellow travelers.

Cruising

SOUTH SHETLAND ISLANDS AND ANTARCTIC PENINSULA

Days 5 to 9

Once the Drake Passage is left in our wake and the South Shetland Islands come into view, your Antarctic adventure truly begins. You will begin to appreciate why this region has long captivated the attention of explorers and travelers alike. On every visit to Antarctica, we witness something new or unexpected, which means your expedition will be unlike any other—a unique, personal experience. Each day, you will take Zodiac excursions from the ship to explore local bays, channels and landing sites. With wildlife always at the forefront of our minds, you will visit penguin rookeries, scout for humpback and minke whales, and search for a number of southern seal species, including the cunning leopard seal. The majesty of the Antarctic Peninsula's mountains will enchant as you hike snowy pathways to vantage points offering panoramic views of your surroundings. You will discover that Antarctica is a land of extremes. At one moment you'll be overcome with a feeling of complete isolation and silence, and the next you'll be inspired by nature as a calving glacier crashes into a brilliant blue sea or a penguin waddles by to inspect your footwear. Amid the serene silence of Antarctica, noisy interludes—such as penguins squabbling over prized pebbles—become indelible memories. Each day will be different, carefully crafted by your Expedition Team to inspire and educate you about this wonderful part of the world.

Cruising
