Ushuaia, Argentina

ARRIVE IN USHUAIA

Day 1

You may arrive in Ushuaia at any time on Day 1. EMBARKATION IN USHUAIA

Day 2

On the morning of Day 2, your luggage will be collected from the hotel lobby and transferred to your cabin on the ship. Guests will meet at a designated location near the pier, usually about 4 p.m., and board the waiting buses for transfer to the ship. After a late afternoon embarkation, we will sail along the historic Beagle Channel, which transects the Tierra del Fuego archipelago in the extreme south of South America. Excitement builds in anticipation of your next stop: the Antarctic.

CROSSING THE DRAKE PASSAGE

Days 3 and 4

Legendary for its high winds and rolling seas, you may get lucky and have surprisingly calm seas through the Drake Passage. Spend your time in the lounge or chatting with your fellow travelers. As you develop your sea legs during the crossing, our Expedition Team will begin their series of presentations to help prepare you for your upcoming Zodiac and land excursions. You officially enter Antarctica when your ship crosses the Antarctic Convergence, a biological boundary that fluctuates around 60° south.

SOUTH SHETLAND ISLANDS AND ANTARCTIC PENINSULA

Days 5 to 8

The most common reaction upon reaching the 7th Continent is a sense of reverence and awe. The experience is beyond words, since few places are as untouched as Antarctica. You will begin to appreciate why this region has long captivated the attention of explorers and travelers alike. Every time we visit Antarctica, we witness something new or unexpected, which means that your expedition will be unlike any other—creating a unique, personal experience. Each day, you will take Zodiac excursions from the ship to explore glaciated bays, channels and landing sites. Your Expedition Team will take care of you at each landing, whether you are hiking the Antarctic landscape, visiting a research station or observing chinstrap, Adélie and gentoo penguins, all of which can be found here. Keep an eye out for Weddell, fur, crabeater and leopard seals as well as curious whales, such as humpbacks, minke, or perhaps orcas while on a Zodiac cruise. Each excursion will present a new array of creatures to fascinate you and keep your camera busy. Amid the serene silence of Antarctica, noisy interludes become indelible memories, such as penguins squabbling over prized pebbles, or the boom and crack of a calving glacier. Every day will be different, having been carefully crafted by your Expedition Team to inspire and educate you about this wonderful part of the world.

DISEMBARKATION & FLY TO PUNTA ARENAS

Day 9

With only the Drake Passage ahead, you'll disembark on King George Island before flying to Punta Arenas, Chile. Once you're in Punta Arenas, we'll transfer you from the airport to your designated group hotel. You're then free to explore Punta Arenas and enjoy a final dinner on your own.
