Bergen

Welcome to Norway and the World Heritage-listed city of Bergen. This Hanseatic fishing port is almost 1,000 years old and considered one of the prettiest cities in Scandinavia, tucked between majestic mountains and a breathtaking fjord.

Tag 1

This afternoon, you'll meet the Captain and crew of your ultra-luxury Discovery Yacht, Scenic Eclipse. Be welcomed on board with a glass of Champagne and explore your spacious suite. Meet your fellow guests for a drink at the Sky Bar and toast to the start of an epic adventure as you set sail into the largest fjord in Norway, Sognefjord.

Please book your flight to arrive into Bergen prior to 02:00 PM.

Flam > Gudvangen

Tag 2

Nestled at the heart of Sognefjord and flanked by steep mountains, the tiny village of Flam is one of Norway's most popular destinations. Here you can take one of the world's most spectacular railway journeys, the 20km Flam Railway, which offers unobstructed views of the valley as it winds gently through the peaks towards the town centre.

Depart after lunch for an awe-inspiring scenic cruise through the majestic Nærøfjord. This World Heritage-listed site is the most wild and beautiful arm of Sognefjord, with its towering cliffs and cascading waterfalls. Later, be immersed in the charming village of Gudvangen, nestled amidst dramatic landscapes.

Ålesund

Tag 3

An Art Nouveau gem at the entrance to Geirangerfjord, Ålesund is one of Norway's most beautiful cities. It was completely reborn after a devastating fire in 1904, and its gorgeous architecture acts like a living time capsule.

Wander the streets lined with some of the best period architecture in Europe or learn about the city's unique history at the Art Nouveau Centre & the Art Museum KUBE. See otters, seals, Humboldt penguins, fish and more at Northern Europe's largest saltwater aquarium, Atlanterhavsparken. A late departure lets you experience the vibrant nightlife in a place where the sun doesn't set until close to midnight.

Hellesylt > Geiranger

Tag 4

Make a short stop this morning in the small village of Hellesylt. Then you'll cruise into the World Heritage-listed Geirangerfjord, sailing over sparkling waters beneath 800-metre cliffs. Look out for the jaw-dropping Seven Sisters Waterfall. Perhaps join the Discovery Team on kayaking excursions or other discovery experiences.

Look out for the jaw-dropping Seven Sisters Waterfall. Perhaps join the Discovery Team on kayaking excursions or other discovery experiences.

At Sea

Tag 5

After a busy start to your expedition voyage, take some time today to relax. You may choose a class in one of the fitness spaces, soothe your muscles in one of the therapy lounges, or book an indulgent treatment in the Senses Spa. Meet new friends at the Scenic Lounge Bar or Sky Deck or ask the butler to bring your favourite cocktail to your private verandah.

The Discovery Team will be hosting lectures in the state-of-the-art theatre, recapping the wonders you have seen so far and providing inspiration for the ports to come.

Leknes, Lofoten Islands

Tag 6

Stand on your private verandah early this morning or join the other passengers on the Observation Terrace as you sail into the Lofoten Islands. Rising dramatically from the sea, these tall, craggy outcrops with impossibly blue water, sheltered coves and pristine beaches are a must-see. Leknes is the gateway to the islands' outdoor adventures with sea kayaking, hiking, birdwatching and even surfing available nearby.

Tonight, under the glow of the midnight sun, Scenic Eclipse will sail through the majestic Trollfjord. With a narrow entrance and steep mountains along each side, it appears almost too small for the ship to enter.

Tromsø

Tag 7

Known as the cultural hub of the Arctic, Tromsø sits 400 kilometres above the Arctic Circle. Surprisingly cosmopolitan for its remote location, during the summer Tromsø is full of locals basking in the endless sunlight, tucking into fresh seafood on the docks, enjoying a drink at the world's northernmost brewery or taking a dip in the refreshing waters of the local beach.

Tromsø has been the starting point for many Arctic expeditions over the past two centuries, and you can follow in the footsteps of legendary explorers through the town or learn their stories at the museum.

Cruising North cape

Tag 8

It's another sea day today, though make sure you're standing on the Observation Deck or with a drink at the Sky Bar after lunch for a remarkable sight. Scenic Eclipse will sail past Nordkapp, or North Cape, soaring 307 metres from the sea into the sky. This is the northernmost point of Europe, where the sun doesn't set for up to three months over summer.

Use your time today to dive into Norwegian history and the legends of the fjords with engaging lectures from the Discovery Team. Scenic Eclipse will sail north tonight, across the Barents Sea towards Svalbard.

Svalbard

Tag 9

Welcome to the remote wilderness of the Svalbard Archipelago, a dramatic polar desert surrounded by rugged glaciers, frozen tundra and craggy mountain peaks. Bear Island, or Bjørnøya in Norwegian, is the southernmost island in the archipelago. It's home to the largest seabird colony in the northern hemisphere with around 1.5 million nesting birds – use the binoculars in your suite to spot Svalbard rock ptarmigans, puffins, skuas, little auks, kittiwakes, black guillemots and more.

If conditions allow, join a Zodiac tour to explore spectacular sea caves and tunnels or possibly step ashore on an island where the only inhabitants work at a meteorological station.

Svalbard

Tag 10

Due to the extraordinary nature of Svalbard, your itinerary will be flexible over the next five days. Your experienced Captain and Discovery Leader will use their expertise to design this section of your voyage from day to day, making the most of the long hours, weather and ice conditions to give you the best experience possible in this extraordinary part of the world.

Daily Scenic Discovery excursions include Zodiac cruises, kayak tours and nature walks where you can discover majestic Arctic scenery, native wildlife and marine life. Then join the Discovery Team for insightful lectures in the state-of-the-art theatre.

Svalbard

Tag 11

As we continue sailing around the islands of Svalbard, there may be opportunities to see whales, Arctic foxes, seals and seabirds, along with possible sightings of Svalbard reindeer, wolverines and Arctic rabbits. Be sure to keep the binoculars provided in your suite with you or use the Swarovski telescopes on the Observation Lounge for a closer look at the Arctic wildlife. Listen out for the loud crack of a glacier calving as you soak in the scenery and keep your eyes peeled for movement on the ice and in the water.

Svalbard

Tag 12

Take advantage of the open bridge policy today and join the Captain at the helm of your Discovery Yacht as it sails through this Arctic wonderland. See how they navigate through Polar regions where ice and weather conditions can rapidly change plans before your eyes. The unpredictability of an Arctic voyage is all part of the journey and adds to the excitement.

Weather permitting, more Discovery excursions will be available today, taking you further into these spectacular landscapes. Remember you can always look for the Discovery Team to answer any questions you may have and to help plan your upcoming expedition experiences.

Svalbard

Every day brings a new magical vista, from magnificent glaciers in iceberg dotted waters to jagged snow topped mountains towering over green slopes of tundra.

Tag 13

Continue cruising around the spectacular Svalbard Archipelago. When enjoying daily Discovery excursions, ask for the expert polar Discovery Team for photography tips and guidance. They will help you immortalise incredible moments while cruising on the Zodiacs and kayaking around impressive ice formations.

With up to 20 members including geologists, historians, ornithologists, marine biologists, and glaciologists, the Discovery Team is at the heart of your Expedition Voyage.

Svalbard

Tag 14

Mark your final day in Svalbard with a once-in-a-lifetime experience. For many, the polar plunge is an exhilarating rite of passage and, while the day may change, your Discovery Team will always look for a special place to set up the Discovery Yacht's marina so that you can don your swimsuit and leap into the icy water below. After the plunge, warm up with a drink of your choice, from a specialty tea to aged whiskey, or head to the infrared saunas in the Senses Spa# for some relaxation.

Longyearbyen, Spitsbergen > Oslo

Tag 15

Your journey concludes this morning in Longyearbyen, the capital of the Svalbard Archipelago and the northernmost territorial capital on the planet. The glaciers, the mountains stretching as far as the eye can see and the untouched landscapes will make you feel like you're on the edge of the earth.

Savour one last luxurious breakfast on board your ultra-luxury Discovery Yacht before saying farewell to the crew who have shared this once-in-a-lifetime journey with you. For the final part of your journey, you will be transferred to Oslo for an overnight stay.

Oslo, Norway

Tag 16

After breakfast in your hotel, take the time to say goodbye to your fellow Arctic travellers as you fly back to your own corners of the world.

+All drinks on board, including those stocked in your mini bar, are included, except for a very small number of rare, fine and vintage wines, Champagnes and spirits. #Spa treatments at additional cost. ~Kayaking may not operate in all locations.

Please note the itinerary is a guide and may be subject to changes for operational reasons. Please refer to our terms and conditions for further information.
