Bergen, Norway

Begin your Expedition Voyage in Norway and the World Heritage-listed city of Bergen. This Hanseatic fishing port is almost 1,000 years old and considered one of the prettiest cities in Scandinavia, tucked between majestic mountains and a breathtaking fjord.

Tag 1

This afternoon, you will meet the Captain and crew of your ultra-luxury Scenic Discovery Yacht, Scenic Eclipse. On board, be greeted with a glass of champagne and explore your spacious suite. Meet your fellow guests for a drink at the Sky Bar and toast to the start of an extraordinary voyage as you set sail into the largest fjord in Norway, Sognefjord.

Please book your flight to arrive into Bergen prior to 02:00 PM.

Skjolden, Norway

Tag 2

Tucked away at the very end of the Lustrafjord, the longest and deepest branch of the Sognefjord, Skjolden is surrounded by some of Norway's most striking mountain scenery. Waterfalls cascade from steep valley walls, while glaciers and snow-dusted peaks frame the village in every direction.

Skjolden is a gateway to the Jostedalsglacier National Park, home to mainland Europe's largest glacier, as well as historic stave churches and scenic walking trails. This peaceful fjord community offers a moment of calm amid Norway's dramatic landscapes, where still waters, crisp alpine air, and unspoiled scenery define the experience.

Ålesund, Norway

Tag 3

An Art Nouveau gem at the entrance to Geirangerfjord, Ålesund is one of Norway's most beautiful cities. It was completely reborn after a devastating fire in 1904, and its gorgeous architecture acts like a living time capsule.

Wander the streets lined with some of the best period architecture in Europe or learn about the city's unique history at the Art Nouveau Centre & the Art Museum KUBE. A late departure lets you experience the vibrant nightlife in a place where the sun does not set until close to midnight.

Hellesylt, Norway > Geiranger, Norway

Tag 4

Begin the day with a brief visit to the picturesque village of Hellesylt before sailing into the UNESCO World Heritage-listed Geirangerfjord. Cruise along pristine waters framed by towering cliffs of up to 800 metres and admire the iconic Seven Sisters Waterfall cascading down the mountainside. Visit the charming village of Geiranger to wander its streets, enjoy the local cafés, and take in panoramic views of the fjord before continuing your journey through this breathtaking landscape.

At Sea

Tag 5

Take a moment to yourself this morning and soak in the comforts of your luxuriously appointed suite. Ask your butler to deliver breakfast to your suite, where you can enjoy it on the verandah as the deep blue waters of the sea slip by outside.

Visit the Sky Bar and outdoor Vitality pool on Deck 10. Step into the tranquil Senses Spa# on Deck 6 with its steam rooms, saunas, plunge pool and Vitality Thermal Lounge. Stop for a coffee or a cocktail at one of the nine bars and lounges on board, otherwise curl up with a good book in the library of the Observation Lounge.

Every day on board Scenic Eclipse, a true culinary journey awaits, with up to 10 extraordinary all-inclusive culinary experiences. You may decide to return to the Yacht Club for lunch, or choose Azure Bar & Café, where you can graze throughout the day.

As dusk falls, the hardest decision you have to make is which direction to wander. Elements is the main dining experience, where the menu ranges from Italian to steak and seafood. Channel the spirit of Asia at Koko's Asian Fusion, which also comes with a Sushi & Saké Bar and private Night Market+ experience. Journey to France at Lumière+ complete with a champagne bar, or dine in the privacy of your suite, choosing from a comprehensive 24-hour menu.

Leknes, Lofoten Islands, Norway

Tag 6

This morning, head to your private verandah or join other guests on the Observation Terrace and prepare to be amazed as you sail into the breathtaking Lofoten Islands. Rising dramatically from the sea, these tall, craggy outcrops, sheltered coves and pristine beaches are a must-see. Leknes is the gateway to the islands' outdoor adventures with sea kayaking, hiking and surfing available nearby.

Tonight, under the glow of the midnight sun, Scenic Eclipse will cruise through the majestic Trollfjord.

Tromsø, Norway

Tag 7

Known as the cultural hub of the Arctic, Tromsø sits 400 kilometres above the Arctic Circle. Surprisingly cosmopolitan for its remote location, during the summer months, Tromsø welcomes locals enjoying extended daylight hours, tucking into fresh seafood on the docks, enjoying a drink at the world's northernmost brewery, or taking a dip in the refreshing waters of the local beach.

Tromsø has been the point of origin for many Arctic expeditions over the past two centuries, and you can follow in the footsteps of legendary explorers through the town or learn their stories at the museum.

Cruising North Cape

Tag 8

Today, a remarkable sight awaits you on the Observation Deck or with a drink at the Sky Bar after lunch. Your Scenic Discovery Yacht will sail past Nordkapp, or North Cape, soaring 307 metres from the sea into the sky. This is the northernmost point of Europe, where the sun does not set for up to three months over summer.

Use your time today to dive into Norwegian history and the legends of the fjords with engaging lectures from the Discovery Team. Tonight, sail north across the Barents Sea towards Svalbard.

Bear Island, Svalbard

Tag 9

Welcome to the Svalbard Archipelago, a dramatic polar desert surrounded by rugged glaciers, frozen tundra, and craggy mountain peaks. Bear Island, or Bjørnøya in Norwegian, is the southernmost island in the archipelago. It is home to the largest seabird colony in the northern hemisphere with around 1.5 million nesting birds – use your in-suite binoculars to spot Svalbard rock ptarmigans, puffins, skuas, little auks, kittiwakes, black guillemots and more.

Spitsbergen, Svalbard

Tag 10

Due to the extraordinary nature of Svalbard, your itinerary will be flexible over the next five days. Your experienced Captain and Discovery Leader will use their expertise to design this section of your voyage from day to day, making the most of the long hours, weather, and ice conditions to give you the best experience possible in this extraordinary part of the world.

Spitsbergen, Svalbard

Tag 11

As we continue sailing around the islands of Svalbard, there may be opportunities to see whales, Arctic foxes, seals, and seabirds, along with sightings of Svalbard reindeer, wolverines, and Arctic rabbits. Be sure to keep the binoculars provided in your suite with you or use the Swarovski telescopes in the Observation Lounge for a closer look at the Arctic wildlife. Listen out for the loud crack of a glacier calving as you soak in the scenery and keep your eyes peeled for movement on the ice and in the water.
