Day 1 Arrive in Oslo

Upon arrival in Oslo, make your way to your group airport hotel, located just a five-minute walk from the International Terminal. At your included hotel, please visit the Aurora Expeditions hospitality desk to collect your luggage cabin tags and to speak with our ground operations team, who may have information to share with you about pre-embarkation or to provide you with information about where to dine, withdraw cash or purchase last minute items from a local pharmacy or supermarket. The remainder of your time is at leisure. All meals today are at your own expense. Accommodation: Radisson Blu Airport Hotel.

Day 2 Fly to Longyearbyen, embarkation	This morning, please ensure your cabin luggage is fitted with cabin tags clearly labelled with your name and cabin number. Enjoy breakfast at the hotel before walking to the airport for our charter flight to Longyearbyen for embarkation. Any valuables or personal items should be kept on you throughout the day. In Longyearbyen, explore the town on a guided tour. After the tour, you will be transferred directly to the pier to embark in the late afternoon. Settle into your cabin before attending important safety briefings and enjoy the thrill of departure as we 'throw the lines' and set sail. *Note: the excursion is contingent on the arrival time of our charter flight to Longyearbyen.
Days 3–7 Spitsbergen	The island of Spitsbergen is the largest in the Svalbard Archipelago and offers Arctic wilderness at its best. The members of our experienced Expedition Team, who have made countless journeys to this area, will use their expertise to tailor our day-to-day itinerary, choosing the best options, based on the prevailing weather, sea-ice conditions and the possibility of encounters with wildlife. Phenomenal fjords, magnificent mountain ranges, and a polar desert rich in fossils set the stage for heroic tales of early exploration. See walrus hauled-out on sea ice or on beaches. On land, we stretch our legs on walks across tundra carpeted in brightly coloured wildflowers. We visit towering cliffs noisy with nesting guillemots and puffins, and scree slopes that hold Svalbard's largest little auk colonies. If you have chosen an optional activity such as kayaking, you will have an opportunity to enjoy that activity when conditions allow. For those who are enthusiastic to participate in a polar plunge, as soon as conditions are suitable, you will hear the announcement to prepare for an exhilarating dip – a memory you will savour for years to come.
Day 8 Disembark in Longyearbyen, fly to Oslo	During the early morning, we cruise back into Longyearbyen. Farewell your Expedition Team upon disembarkation and enjoy some free time before transferring to the airport for your return charter flight to Oslo to continue your journey. *Note: the arrival time in Oslo is contingent on the approved allocated slot for our charter flight to and from Longyearbyen, which we expect to receive in March 2027.
