Helsinki, Finland

ARRIVE IN HELSINKI, FINLAND

Day 1

Arrive in the Finnish capital and make your way to the group hotel located right at Helsinki airport—which is included in your Charter Flight & Hotel Package. You will have the rest of the day to explore explore the many museums, galleries and restaurants, relax at a Finnish sauna or wander the vibrant Design District. If you do plan to visit Helsinki city center, you can take the convenient 40-minute rail service from the airport.

Cruising

FLY TO LONGYEARBYEN, SVALBARD & EMBARK

Day 2

After breakfast, the group will transfer to the airport and board our private charter flight to Longyearbyen, Spitsbergen's largest settlement, as part of the Charter Flight & Hotel Package. As you embark this afternoon, you'll enjoy great views of the mountainous landscape that serves as a backdrop for this seaside town.

Cruising

EXPLORING SPITSBERGEN, SVALBARD

Days 3 to 6

Exploring Spitsbergen, the largest island of the Norwegian Svalbard archipelago, rewards you with austere beauty and opportunities to spot its abundant wildlife. Here, you'll visit spectacular glacier fronts and tundra in full bloom, with walrus, polar bears and Svalbard reindeer amongst your possible wildlife sightings. Birders will be thrilled to see Arctic terns, skuas, Brünnich's guillemots, black-legged kittiwakes and ivory gulls. If conditions allow, you could sail within 10 degrees of the North Pole.

Cruising

AT SEA: CRUISING THE GREENLAND SEA

Days 7 and 8

While sailing south through the Greenland Sea, your Expedition Team will teach you about the wildlife and history of Greenland, your next stop. On deck, you'll learn to identify seabirds on the wing. Take in a presentation, share your photos, sip an icy cocktail in the bar or watch a film—there are many things to do during your time at sea.

Cruising

EXPLORING EAST GREENLAND

Days 9 to 12

During your tour of Greenland's remote eastern coast, you'll enjoy Zodiac cruises and shore visits to several locations. Explore the remains of ancient Thule settlements and keep an eye out for grazing muskoxen—40 percent of the world's muskoxen population lives here. Finally, you will sail through spectacular Scoresbysund, the birthplace of many icebergs and, some say, the most beautiful fjord system in the world. We plan to visit Ittoqqortoormiit, the most remote community in East Greenland.

Cruising

AT SEA: CROSSING THE DENMARK STRAIT

Day 13

As we sail south, the Denmark Strait is your pathway toward Iceland. Your Expedition Team will keep you informed and entertained with presentations about the history of exploration in the Arctic and the seabirds you'll see soaring above your ship.

Cruising

THE WESTFJORDS: ICELAND'S HIDDEN GEM

Day 14

The seldom-visited Westfjords—where land meets sea in the most dramatic fashion—are often known as “Iceland's best-kept secret.” This rugged peninsula at the country's remote northwestern tip is rife with fjords, mountains, tumbling cliffs, gushing waterfalls, colorful beaches, rolling green hills, high moorlands dotted with rocky outcrops, small lakes, and the occasional shaggy Icelandic sheep or grazing pony. A few modest outposts of civilization, in the form of small fishing communities nestled along the fjords and shores of the Denmark Strait, face out into the mighty Atlantic, keeping alive a maritime heritage that stretches back to the Viking days. The Westfjords are the least developed of Iceland's coastal areas and, consequently, the wildest. Depending on the conditions, guests will venture into this territory on a Zodiac cruise or a guided shore landing at unspoiled wilderness sites where they can hike and explore on foot. One of the many highlights is Mongufoss, one of Iceland's most remote and beautiful waterfalls.

Reykjavík, Iceland

DISEMBARK IN REYKJAVÍK, ICELAND

Day 15

You'll disembark in Reykjavik, Iceland's capital, after breakfast. If you have booked postexpedition accommodation, we provide a transfer to a central downtown location.
