Buenos Aires, Argentina

Tag 1

Welcome to Buenos Aires, where you'll have an overnight hotel stay. Perhaps plan to spend some time in the city, nicknamed the 'Paris of South America'. Resplendent with Belle Epoque buildings, sidewalk cafes and green spaces, there's the fiery passion of Latin America – a collective love for football, flame-cooked meats (asado) and the tango.

Some of the highlights are La Boca, a colourful, creative mecca with a must-do art walk, and San Telmo, a former aristocratic neighbourhood that was abandoned during a 19th-century epidemic. Mansions were turned into conventillos (shared housing), boutique hotels, antique shops, and tango clubs, exuding a captivating bohemian vibe.

Buenos Aires > Ushuaia

Tag 2

Fly from Buenos Aires to Ushuaia, the main island of Tierra del Fuego and the southernmost city in the world. The Captain and crew will warmly greet you as you board your ultra-luxury Discovery Yacht, Scenic Eclipse.

Toast the start of your once-in-a-lifetime expedition as you depart South America and cruise through the calm and scenic Beagle Channel, named so for the ship that carried Charles Darwin on his five-year discovery journey. Admire the dramatic views of the Andean mountains from the comfort of your private verandah or from the Observation Deck with its commanding view of the bow.

At sea

Tag 3

Wake up in your own time as we cruise across the Drake Passage, the infamous waterway that connects South America to Antarctica. Perhaps ask your butler for breakfast to be delivered to your spacious suite or meet fellow guests in the Yacht Club.

Today, join an introductory presentation about your polar expedition by the Polar Discovery Team in the state-of-the-art theatre. Feel the excitement building as they explain how your Zodiac and other Discovery Excursions will work in the coming days. The theatre is where you can watch talks, lectures, movies and documentaries during the day. At night, enjoy world-class productions from musical theatre and cabaret to pop music, dance and fun interactive game shows.

Antarctica

Tag 4

Today you will enter Antarctic waters, an unpredictable but stunningly beautiful environment that always surprises. Put on your complimentary polar parka and head to the Observation Deck to spot icebergs for the first time – it's a feeling that will stay with you forever.

Watch out for whale blows in the distance and your expert polar Discovery team will be on hand to provide and answer any insightful information. Comprised of up to 20 members, this team of geologists, historians, ornithologists, marine biologists, and glaciologists is at the heart of your Antarctic Voyage.

Antarctica

Tag 5

Slide open the floor-to-ceiling doors of your verandah suite to see icebergs sculpted by nature and glacial mountains rising thousands of metres from the ocean. Antarctica is a birdwatcher's paradise, with more than 40 different species, so keep your eyes peeled for wandering albatrosses, which has the largest wingspan of any flying bird, as well as shearwaters, giant petrels and more.

Due to the extraordinary nature of the region, Discovery excursions throughout your Expedition Voyage are dependent on the ice and weather conditions. Your experienced Captain and specialist Polar Discovery Team, who have made countless journeys to Antarctica, will use their expertise to design your voyage from day to day, making the most of 18–20 hours of daylight.

Scenic Discovery: Daily experiences may include cruising on Zodiacs, stepping ashore to view vast penguin rookeries or historic huts, and kayaking or paddle boarding around icebergs. Wherever your voyage takes you, you will have countless "pinch me" moments.

Nestled in the South Shetland Islands archipelago, it is one of the only places in the world that ships can sail directly into the centre of a submerged caldera of an active volcano. With her world-class design and state-of-the-art technology, Scenic Eclipse can sail through a rocky gap into the horseshoe-shaped harbour. The island is also home to a few small scientific outposts and hundreds of thousands of chinstrap penguins.

Whales are another majestic creature you may encounter, whether a minke, a humpback or an Orca.
