Toast the start of your once-in-a-lifetime expedition as you depart South America and cruise through the calm and scenic Beagle Channel, named so for the ship that carried Charles Darwin on his five-year discovery journey. Admire the dramatic views of the Andean mountains from the comfort of your private verandah or from the Observation Deck with its commanding view of the bow.

## At sea

Tag 17

Wake up in your own time as we cruise across the Drake Passage, the infamous waterway that connects South America to Antarctica. Perhaps ask your butler for breakfast to be delivered to your spacious suite or meet fellow guests in the Yacht Club.

Join an introductory presentation about your polar expedition by the Discovery Team in the state-of-the-art theatre. This is where you can watch talks, lectures, movies and documentaries during the day. At night, enjoy world-class productions from musical theatre and cabaret to pop music, dance and fun interactive game shows.

## Antarctica

Tag 18

Today you will enter Antarctic waters, an unpredictable but stunningly beautiful environment that always surprises. Put on your complimentary polar parka and head to the Observation Deck to spot icebergs for the first time – it's a feeling that will stay with you forever.

Watch out for whale blows in the distance and your expert polar Discovery team will be on hand to provide and answer any insightful information. Comprised of up to 20 members, this team of geologists, historians, ornithologists, marine biologists, and glaciologists is at the heart of your Antarctic Voyage.

## Antarctica

Tag 19

Slide open the floor-to-ceiling doors of your verandah suite to see icebergs and glacial mountains rising from the ocean. Antarctica is a birdwatcher's paradise, with more than 40 different species, so keep your eyes peeled for wandering albatrosses, shearwaters, giant petrels and more.

Due to the extraordinary nature of the region, excursions throughout your Expedition Voyage are dependent on the ice and weather conditions. Your experienced Captain and specialist Discovery Team, who have made countless journeys to Antarctica, will use their expertise to design your voyage from day to day, making the most of 18–20 hours of daylight.

**Discovery:** Daily experiences may include cruising on Zodiacs, stepping ashore to view vast penguin rookeries or historic huts, and kayaking or paddle boarding around icebergs. Wherever your voyage takes you, you will have countless "pinch me" moments.

## Antarctica

Remarkable wildlife encounters await during your time exploring Antarctica. Going ashore to visit a penguin colony is an unforgettable experience.

Tag 20

For a truly unique and exclusive experience, book a helicopter excursion\* to visit Snow Hill Island (subject to weather and operational conditions). This is home to a colony of around 10,000 Emperor penguins. Departing by helicopter from your Discovery Yacht, you'll land on Snow Hill Island and walk 1.5 kilometres with your Discovery Team to see the colony. The Emperor penguins are only present at this location at the start of the Antarctica season and there are only a couple of voyages with this experience each season.

**Discovery:** Explore by Zodiac, kayak or stand-up paddleboard with possible shore landings (weather and ice permitting). To see Antarctica from above or below the horizon book a helicopter\* or a submersible\* experience.

## Antarctica

Various species of penguins can be found in Antarctic and the sub-Antarctic region, including Adélie, Chinstrap, Gentoo, and the very rare Emperor penguins. Guided by the expert Discovery Team, you'll witness colonies up close; hear their mighty calls and watch as they clumsily waddle along and interact with each other.

Tag 21

Whales are another majestic creature you may encounter, whether a minke, a humpback or an Orca. Watch them from the comfort of your ultra-luxury Discovery Yacht, in a Zodiac with an experienced Discovery Team member, or from their level in a kayak or stand-up paddleboard – a breathtaking experience.

**Discovery:** When enjoying daily Scenic Discovery excursions, ask for your expert Discovery Leader for photography tips and guidance on how to spot the wildlife around you. They will help you immortalise these incredible moments while cruising on the Zodiacs, kayaking and stand-up paddleboarding around impressive ice formations.

## Antarctica

Tag 22

Lemaire Channel (subject to weather and operational conditions) is renowned for its picturesque views and often referred to as 'Kodak Alley', could be our next exciting destination. If during your voyage your Discovery Yacht weaves through this channel, make sure you set your alarm and embrace the cool air from the Observation Terrace. Pass through the 11-kilometre-long channel, just 700 metres wide at its narrowest point, and be amazed at the dramatic rocky mountains and glowing blue icebergs so close to the ship.

In between Discovery experiences, enjoy a specialty tea or coffee in the Observation Lounge and watch the world float by through Swarovski telescopes.

## Antarctica

Tag 23

In the distance on a clear day you can see Mount Francis (subject to weather and operational conditions) standing tall as Anvers Island's highest peak, showcasing the rugged beauty of Antarctica. Every day is unique, you might get the chance to hike or spend time on the pebbled beach, enjoying the view surrounded by curious penguins. Back on board, explore some the indulgent spaces, from the welcoming Observation Lounge to the expansive Senses Spa#. Soothe your muscles in the sauna or heated therapy lounge, join a yoga or Pilates class. Choose one of up to 10 world-class dining experiences on board tonight.

**Discovery:** Explore by Zodiac, kayak or stand-up paddleboard with possible shore landings (weather and ice permitting). To see Antarctica from above or below the horizon book a helicopter\* or a submersible\* experience.

## Antarctica

Tag 24

The polar plunge is a once-in-a-lifetime opportunity and a rite of passage on an expedition to Antarctica. Once throughout your voyage, the marina will be set up for anyone who'd like to jump into the Antarctic waters.

As you stand on the edge, ready to jump, you'll feel the adrenaline rush. When you jump, an invigorating, exciting and surprisingly refreshing sensation will take over. If you choose to skip the polar plunge, make sure you find a good viewing location to watch the chilly jumpers emerge. Join them for a cup of hot chocolate or a glass of whiskey.

## At Sea

Tag 25

Cruising the Drake Passage back to South America, there's time to indulge in the ultra-luxury of your Discovery Yacht and reflect on the magic moments you've experienced in the Southern Ocean.
